Highland Opportunity's Business Gateway Service

If you are thinking of starting your own business then Business Gateway will help you to grow and prosper. All of their services are free of charge and all are available throughout the Highlands and Moray.

You can have access to:

- a local adviser to discuss your plans
- a regular programme of topical workshops, including a two day business start-up workshop; marketing and selling; DIY websites, and e-commerce.
- finance - we can advise you on sources of funding or help you to prepare a business plan.
- online tools including how to choose the right insurance, what are the best advertising options for your business and many more.

To find out about the events and training opportunities offered throughout Highland visit our [Events Calendar](#) page.
