## Albyn Housing Society Ltd Invergordon

Albyn Housing Society Limited serves an ever-growing number of communities in the Highlands, providing good quality, affordable housing for thousands of people across the region. Through four decades the Society has listened and responded to the views of its customers, local government, communities and businesses in meeting housing needs in the Highlands.

We manage over 3,500 properties in 60 communities across the Highlands. From origins of a handful of staff the Society now has 70 employees and has two offices; the registered office in Invergordon - details below, and a second office in [Inverness](#).
