Autism Initiatives - Highland One Stop Shop

The Highland One Stop Shop (HOSS) is a free service for autistic adults aged 16 and over who live in the Highlands, as well as their families/carers and professionals. We offer a range of services:

- 1-1 appointments
- social groups/activities
- scheduled drop in times
- monthly newsletter and activities planner

Anyone interested in using the services can drop in or book an appointment to meet with a member of staff, who will give you a brief induction to the services and resources which are available. You can phone or email, or get someone to come with you or do it for you.

You can find us on Facebook [here](#) or on Twitter [here](#)
