Hearing & Sight Care, Caithness & North Sutherland - Thurso

Hearing and Sight Care, Caithness and North Sutherland has 2 drop-in centres:

The Sensory Centre Thurso is open Tuesday, Wednesday and Friday 10am-2pm

Some of the many services provided are:

- The provision of hearing aid upkeep, issue of NHS batteries and tubing
- Referral to statutory services
- Help, advice and information on hearing loss and associated issues
- Demonstration, loan and procurement of specialist equipment for the home e.g. flashing doorbells, pager systems, amplified telephones
- Training in deaf awareness and communication tactics
- Basic introduction to British Sign Language (BSL)
- Advocacy for profoundly deaf sign language users and hard-of-hearing clients

Home visits to your own home, nursing and residential homes, hospitals, sheltered housing and day care centres for those who cannot access services within the centres because of limited mobility, health or transport issues.
