Highland LGBT Forum

This is a registered charity based in Inverness and run by volunteers. We organise social events and outdoor activities for over 16s who identify as lesbian, gay, bisexual, transgender, or are unsure about their sexual orientation or gender identity. Families and friends are also welcome to make contact.

We produce a monthly newsletter and a web site with useful information and links.

We also network with other charities, organisations and public sector bodies to work towards inclusion and diversity for everyone throughout the Highlands & Islands. We also hold awareness-raising events about LGBT issues.
