Inverness College UHI

Inverness College UHI is the largest partner of the University of the Highlands and Islands (UHI) together with 12 other colleges and internationally renowned research centres. Through the partnership, we are making it easier for people to study quality Further and Higher Education across the region. We have one of the widest ranging curricula in Scotland catering for over 8,500 full-time and part-time students studying a wide variety of qualifications from a national certificate to a post graduate degree.

We have over 200 courses in over 30 different subject areas from national certificate to post graduate degree. SCQF Levels 1 – 11.

- Visit our website or contact The Guidance Team for course and career advice.
- Contact the Admissions, Funding and Progression Team for information and help with finances, application queries and discretionary funds.
