NHS Highland - Isobel Rhind Centre

The Isobel Rhind Centre is a purpose built resource, run by the NHS, for adults with a learning disability.

We are open Monday - Friday 8:45am - 4:15pm.

We are committed to providing a client led service and work with other agencies, professionals, carers and service users to ensure a safe, high quality environment.

Our aims and objectives are:

- To enable our users to enjoy social, educational, recreational and cultural facilities both in the centre and in local communities thus creating a socially inclusive environment.
- To encourage and promote independence for all service users.
- To support all service users in a person centred way to enable them to reach their full potential.
