North Highland College UHI

With campuses in Thurso, Alness and Dornoch, The North Highland College UHI is here to help you achieve your goals. We can provide you with a range of high quality learning opportunities designed to fit in with your lifestyle and life choices. We offer full time and part time programmes, and many of our courses are suitable for online study, allowing you to learn in the comfort of your own home. Whichever course you choose, or programme you decide to follow, all are designed to help you learn and develop the skills you will need for the future.

As one of the 13 academic partners of the University of the Highlands and Islands, we are able to offer a wide range of courses ranging from national certificate to university degree level. The North Highland College UHI also has close links with local secondary schools and offers a range of courses and options that supplement the school curriculum and introduces you to the possibilities of further and higher education with your local college.

Campus Tours

Come and meet our staff and students and find out about all our courses, including what's new this year. You'll get the chance to see our facilities, get a feel for college life as well as information on entry requirements, funding your studies, accommodation options and content and structure of courses.

Specialist facilities:

- Rural Studies Centre (Halkirk)
- Environmental Research Institute (Thurso)
- Engineering, Technology and Energy Centre (Thurso)
- UHI Centre for History (Dornoch)
