Tigh Na Drochaid

Tigh Na Drochaid is a NHS Highland Resource Centre, providing adult services with support in the north of Skye. We may also become involved in the transition from children to adult services.

The centre provides or is developing a range of activities to promote engagement and links with the local communities which includes:

- creative groups including music, drama and art
- keep-fit
- cooking skills
- a café (to be developed)
- gardening and garden produce
- swimming and outdoor activities
- I.T. skills
- adult literacy
- support for employment
- support for college placements

A team of support workers are attached to the Supported Tenancies Project and work closely with the Resource Centre in order to increase independent living skills as well as supporting people who have their own tenancies.

For further Information please contact the centre.
