Working Rite - Stage 3

What do we offer at Stage 3?

As a trainee we will match you to a local business where you will learn a trade of your choice and learn skills to cope in the world of work. You will be in a work placement on a full time basis - no more than 30 hours per week. Provision of work placement will normally include a number of different job sectors dependent on your needs and availability of employers in the area.

The programme generally lasts 12 weeks and will take place over 5 days per week. The days could vary depending on the work placement opportunity.

Who can apply?

This programme is suitable for anyone who is aged 16-21 and is not in education, training or employment, but is at the pre-employment stage. Our opportunities are available in Inverness and surrounding areas up to Invergordon and down to Aviemore and anywhere inbetween.

What can you achieve?

You will gain experience, on-the-job learning and potentially employment. You will also have the opportunity to gain the [SQA Certificate of Work Readiness](#) or to undertake GOALS training with the support of the Project Coordinator. GOALS is a 3 day motivational training programme that challenges the way you think, feel and behave; creating a more positive attitude which enables movement towards employment.

Could I get a training allowance?

For 16-17 year olds you will receive a weekly training allowance of £55 per week from WorkingRite and an additional £30 per week from the placement provider whilst on placement. If you are 18+ and are on benefits you will stay on your benefits. Travel costs are covered also.

Who do I contact to find out more?

Contact the Project Coordinator - Claire Smith
